Subject: -

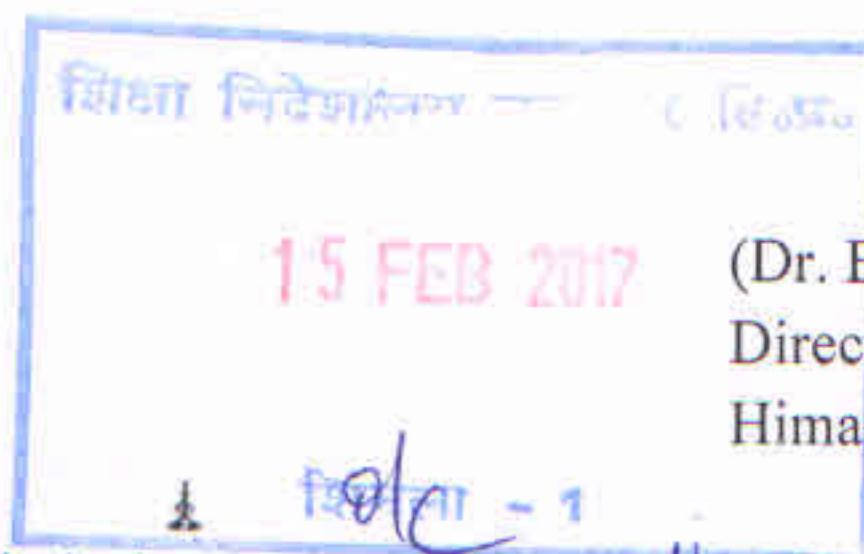

*Regarding seeding of Aadhaar with bank account number for DBT payment under the various State and Centrally Sponsored Scholarship Schemes for the year 2016-17 onward.*

Sir,

It has been noticed / observed by the Department that students /Institutions have **not** seeded the **Aadhaar** with their **bank account number** for benefit of DBT inspite of repeated, advertisements/strict directions given by the Center and State Govt. for the year **2016-17**. Hence, no scholarship will be disbursed if, the students account number is **not linked with AADHAR**. The **Non-active/Non-operational/Dormant/Jan-Dhan Account** will not be acceptable for DBT mode.

The **Performa** for Aadhaar seeding is available on HP e-Pass Portal, which is to be filled and submit by the **students**, in his/her concerned **Institutions**. The Institutions have to submit the format in the **concerned Bank** of the students. It is the whole liability and responsibility of the Institutions to seed/link students Bank Account with his/her Aadhaar number. Further, students who were enrolled himself/herself through 28-digit **EID** number on HP e-Pass & NSP Portal, must **updated** with his/her newly allotted 12-digit **UID** (Aadhaar) number through their concerned Institutions.

In this regard, all Head of the Institutions are directed to submit the **Aadhaar seeding status report**, to this Department, within every **15-days**, so that, the information of **Aadhaar seeding status** for the year **2016-17** onward can be submitted to the Govt. of India and State Govt. accordingly.
